ELIGIBILITY

To enter, you must have reached the age of majority in your province or territory of residence at the time of entry and have a registered and active account on Microsoft Learn <http://learn.microsoft.com/learn>. Employees and directors of Microsoft Corporation and its subsidiaries, affiliates, advertising agencies are not eligible, nor are persons involved in the execution or administration of this challenge, or the family members of each above (parents, children, siblings, spouse/domestic partners, or individuals residing in the same household). Void in Cuba, Iran, North Korea, Sudan, Syria, Region of Crimea, Russia, and where prohibited.

How to Enter

No purchase necessary. The entry limit is one (1) per person during the Entry Period. Any attempt by you to obtain more than the stated number of entries by using multiple/different accounts, identities, registrations, logins, or any other methods will void your entries and you may be disqualified. Use of any automated system to participate is prohibited.

You are required to provide an email address and acknowledge that you have read and agreed to these official rules during registration to compete in the Cloud Skills Challenge. Your personal data will be used by Microsoft and/or its agents acting on Microsoft's behalf only for the administration and operation of this Challenge and in accordance with the [Microsoft Privacy Statement](#).
